LET'S BUILD A MOVEMENT

#HERstory is here to shine a safe and supportive spotlight on women living with addiction. With your [words of hope](#), we help change harmful attitudes and remove the barriers standing between women and their opportunities for meaningful recovery.

Addiction is a unique experience for everyone, and never a choice for anyone. Make all women living with addiction feel seen, heard and supported. Give your words of hope and we will transform these words into a stunning art installation to be housed in [The DIANE HARWOOD Centre for Women](#) at the new Vancouver Harbour Light Centre. Commissioned by a local female artist, the piece will be a focal point and inspiration for women trying to escape addiction and reclaim their lives.

ONE SIMPLE ACT WITH ENDLESS POSITIVE IMPACT
